Links

Here are some ready-made writing games on Groovelit that are perfect for **middle school**. Click the links below to get your own copies of each game.

The 67 Debate

What do you REALLY think of 'six seven'? Has the trend run its course, or will it be around forever?

Add a Slang Word to the Dictionary

Which slang word or term should be added to the dictionary this year, and why?

Screens or Sleep

How much screen time is too much? Do phones and tablets help you relax, or do they steal time from sleep and focus? Share what you've noticed in your own life... do the benefits outweigh the downsides?

Group Chats Gone Wrong

Are group chats mostly fun, or mostly drama? Think about a time when messages were misunderstood or feelings were hurt. What rules, if any, should group chats follow?

Homework: Help or Hassle?

Is homework actually useful, or just extra stress? Think about which assignments really help you learn and which ones feel pointless. Should homework be shorter, different, or optional? Explain your opinion.

Snow or Rain

Which is better: snow or rain? Defend your choice with clear reasons and persuasive language.

The Seat No One Chooses

Every day, one seat in the room is always empty. Today, someone finally sits there. Describe what happens and why everyone else avoided it. How does this change the mood of the room?
